

EXTRACTS FROM LETTER 18 TH DEC. 1988
OF RON PATTEMORE TO SECRETARY
2/5 TH AUSTRALIAN GENERAL HOSPITAL ASSOCIATION

I note in the "Barbed Wire and Bamboo" that you have the story of The 2/5 th A.G.H. published under the title of "Proudly We Served". I would be obliged if you could furnish the particulars as to price etc. and availability.

I saw quite a lot of this Unit as I was transferred there on Anzac Day 1941 From the British 26 th General Hospital after being wounded at Lempe with the 2/2nd Australian Infantry Battalion.

It was heaven compared with the treatment by the regulars of the 26 th Gen. even though Jerry came in a couple of days later. I got to know quite a few of the gang who stayed behind to look after the wounded.

Tho a lot of names escape me, I have happy memories of a very special Unit – Names that spring to mind are Albert Pettit, he had a mate whose name I forget, maybe Charlie? This pair made a wonderful duo, gentle as my own Mother in the care of patients.

There was a young lad too, Stan Bobridge and a Peter Leach. My own doctor was Captain David Leake, a wonderful man – Also met Maj Brooke Moore, a terrific bloke, and in Germany, tho I didn't meet him was Captain Norman Rose, who was a legend in his own lifetime.

I could tell a tale or two of his exploits even tho as I say I didn't meet him, when Rosie spoke even the Jerries jumped.

I do have a personal interest in your Unit. You can be proud that you served in it. I still have your colour patches as mementos.
